Our next Reflections will be published the first of March 2020, articles will be due by February 10, 2020.

As the old Decade winds down I would like to wish everyone a Happy and Safe Holiday, and may God be with you. Looking toward this new Decade I would like to challenge each one of you to make the “ Moose Great Again! “ As I look around all the other Fraternal Organizations are failing and falling by the way-side. We Can’t let that happen to the Loyal Order of Moose, or the Women of the Moose. I look forward to the future and a combined effort to rebuild our fraternity.

WE are halfway through our year and it is getting time to start an all out effort on membership recruiting, retention and having our orientation programs in place. Retention week is here and hopefully every lodge participated in retention week. The time to move forward is here.

Our forefather's carry the legacy of the Moose Proudly. They believe in the Fraternity and left the Legacy of our Proud organization to us. Are we carrying on their Legacy? They did not forge this legacy by sitting on their hands. They dedicated their time and efforts to being successful. Are we doing the same? This all started by a dedicated few individuals who raise their hands and pledged to honor our traditions in exchange for a little recreation and enjoyment of a lodge home. Have we forgotten that obligation? Yes, this is a new time a new era, but our obligations are still the same. How can we forget our children at Mooseheart and our seniors at Moosehaven? The burden of support for Mooseheart and Moosehaven have now fallen on us. Are we willing to step up and face this challenge?

We were mentored by these members of the past and it seems we have forgot what we were taught. We were taught the value of family, friends and togetherness and we need to carry on this tradition. HOW? By working the program of the Moose Fraternity. The programs work but you need to put forth the effort for them to work. Yes, times have change however sitting back and complaining is not moving our lodges forward. Are we working with our younger members? Maybe we need to ask one of them to get involve and mentor them. They need to know what the Moose means and why it is important for all of us to include our children and seniors. We can make a difference by mentoring others to be better leaders of this organization. However, we must be positive and give support and motivation to inspire others.

We have a clear mission in the Moose Fraternity and by supporting this mission we will become successful. We need Lodge Officers. District President and Association Officers all working together with one goal in mine. **OUR CHILDREN AT MOOSEHEART AND OUR SENIORS AT MOOSEHAVEN.** Without each and every one of us working together they will lose and we will lose and this is unacceptable.

The time is now to **CREATE OUR FUTURE.**

STATE ASSOCIATION PRESIDENT

Jim Turner

Hello Brothers and Co-workers.

Well summer has come and gone and all the great things that come with fall are here. Like for example, Rodney Hammond the Supreme Governor being in the great state of West Virginia. What you missed it? You missed out on a great weekend in Dist. 3. The fellowship was great not to mention the over \$24000.00

Here is another thing to do this fall. Lodges and districts need to be preparing for the state Karaoke contest to be held at the Mid- Winter conference April 2-5 2020 at Lakeview Resort in Morgantown. See your dist. president for all the details. I am sure a great time will had by all that participate and that come to watch.

Here is something else. How about thinking of all the people you know and counting how many of them are Moose members. Then ask yourself how come the rest are not, have you asked them to join? If no why not? Maybe some one you signed up has forgotten to pay their dues check the retention list to see. Give them a call maybe it just slipped their mind or maybe there is some other reason, Find out why they have not payed and encourage them to do so. Some times a phone call is all it takes to let them know they are not forgotten.

The February gun tickets are a great fund raising event for the WVMA lets sell this out. We can do this .

Are you honoring the veterans in your lodge. We need to do this. they served for our freedom we all owe them a great deal of gratitude for their service. Start a Valued Veterans program in your lodge. Give our vets a reason to join , it may help with the lodge membership numbers. as a bonus.

Change is coming, it always does, the question is how do we handle it. We can embrace it or hate it but things change. It will be interesting to see the results of the Town Hall meeting in Florida.

The holidays are coming and I hope you all have a safe and happy Holiday season. Please remember the less fortunate and try to help them if you can, also remember our kids at Moose heart and our seniors at Moosehaven. .

Jim Turner WVMA president

ASSOCIATION VICE PRESIDENT

Marc Miller

Greetings from St. Albans, here is hoping your holidays are full of love, joy and happiness. While the celebrations are fast approaching, I ask that you please remember our children at Moose Heart and our seniors at Moose Haven. Some of our residents have only you. I hope your lodges and chapters are sponsoring someone this time of year.

Do you have a story to share from your Moose homes that will inform, inspire or involve the rest of your Moose Brothers and Sisters or to attract new members? I cannot wait to hear about what all you have been doing at the convention in April. Until we meet again.

Sincerely
Marc Miller

HART OF COMMUNITY

As ATM for District 3, I would like to thank all the Lodges in District 3 for the great effort they have put forth this year. The accomplishments have been great, but as always there is room for improvement. Membership is down statewide, we must continue to strengthen our association by signing members and working retention. Every November we emphasize retention week. We now need to be working retention and signing members all year. All we need to do is ask a friend or relative to join our fraternity. Times are changing, we have to change. We need to find ways to make our Lodges more appealing to prospective members. Promote lodge events and get involved with community service which in turn will produce a membership pool. Thanks District 3 for all you do.

This year for the Mid -Year H.O.C. we are working with Senior Monongians, a senior citizens agency in Morgantown, WV. The agency is compiling a list of their needs to see if the WV Moose Association can gather donations to help their cause. I also have a couple other non-profit groups in case the seniors agency doesn't work out. I do know that no matter what the community service project the WVMA and Chapters will come through. Thanks for all you do.

A Note from the Director General

Wow, did we have a great time in Orlando for the historic One Moose Town Hall Meeting or what! With over 600 of our Moose sisters and brothers in attendance, I believe we accomplished our goal in sharing the vision for a powerful future as One Moose. Members brought forth some well thought out questions throughout the course of the day and we are currently working on some adjustments based on the feedback.

PowerPoint slides of every topic presentation, plus video clips of all the talks and follow-up questions will be posted online for all members to view. As we refine the go-forward plan for unifying our fraternity, we will be sharing that information with you through Official Communications and postings right here at www.mooseintl.org.

Finally, we are inviting all members to make your voice heard by visiting www.onemoose.org and participating in our One Moose straw poll, as well as providing us with any thoughts you may have about this process and our future.

we are in the season of Thanksgiving, please know that your hard work, effort and positive attitude are very much appreciated. As Moose, we are doing good every day, striving to better the lives of our children at Mooseheart, our seniors at Moosehaven and those in need within our communities....knowing that the best is yet to come!

As May you keep our purpose close to your heart and our vision for the day when we are One Moose on your horizon.

We are.....One Moose!

Hello and Season Greetings to my beloved WV Moose family. It is an amazing honor to have been selected to serve as WV's Deputy Grand Regent during the 2019-2020 term of office. Sincere thanks for the overwhelming amount of support I have received thus far from our WV Moose family. I cannot wait to see all of you in April.

Congratulations to Carla Wisman for her appointment as President of the International Star Recorder Board. In addition, I congratulate Bonita Belcher for a wonderful job serving as our WV Deputy Grand Regent in 2018-2019. Bonita you will be a hard act to follow and I hope I can prove my worthiness for this amazing opportunity. In the meantime, I cannot stress enough how important it is that we all embrace our current theme "Create Our Future" as we see Lodges and Chapters closing all around us. We must make every possible effort to ensure continued support for our beloved twin cities.

As I always remind our co-workers while serving as their Sports & Activities Chairman, plan as many fun, interesting, and varied activities that your members will not want to miss a meeting or event! I have had to miss many opportunities to visit other Lodges and Chapters, as I had planned, because of multiple family health problems. I pray that I may soon be able to visit with as many of you as possible. One event that I was able to attend was the District IV meeting/Legend weekend in Barboursville. We had a blast! Great food, live music and amazing hospitality were enjoyed by all! Please Check out WV WOTM Sports & Activities@facebook.com to see the various activities happening around our WV Moose Lodges and Chapters.

I hope that you all have an amazing and blessed Thanksgiving, Christmas and New Year! Fraternally yours with Love, Sarah Held, DGR

Moose Charities

A message from Moose Charities.....

“Thank You” for all donations that were given in the “March of Checks” at our Annual Convention held in Morgantown, WV in August of this year.

At the WV Moose Association board meeting to be held in December 2019 there will be a commitment from the Association to the Mooseheart Activities Center (MAC). The total cost of this project is 8 million dollars.

Let’s not forget the annual WV Home Project is \$60,000.00 that we have committed to pay each and every Moose year from May 1st thru April 30th.

Our Annual “12 Week Club Moose Charities Fundraiser” is in process at the current time. Remember this is a joint effort of our men and women from our Lodges and Chapters. We ask each Association Officer, Association Chairman, International Appointees, WOTM Appointees, Deputy Grand Regent, WOTM Moose Charities Chairperson, WOTM Youth Awareness, WOTM Operation Analysts Coordinator, WOTM Association Committees Chairman and WOTM Government Relations and WOTM Training to sell 10 chances. Each Lodge is given 20 chances, Chapters are given 10 chances and Moose Legions in our Jurisdiction is given 20 chances. We ask that you sell the chances that are given to you and nothing more. I hope this will be another successful fundraiser.

From Our home to yours Merry Christmas and Happy New Year

HIGHER DEGREES

While the 2019 International Convention is over it was Moose Legionnaires that paved the way for you to give to it. You each gave both.

Today's society is replete with many superficial awards and recognition. Those who volunteered during the International Convention are well aware of the service they provided and you did so willingly. That to me is truly being a Moose Legionnaire and living up to our motto of, "Doing some good for someone each day."

Virtue may be its own reward, but I believe that virtuosity deserves a more concrete and tangible form of recognition. While saluting those volunteers, we do more than merely honor them; we appreciate them. They helped to set standards for emulation from this time forth.

Thanks to all of our volunteers for helping us as work shoulder to shoulder and continue to "Create Our Future."

Fraternally,

way and helped to make the Moose Legion booth a success. It is times like this that makes us all proud of our fraternity and the Moose Legion.

It has been said it is more blessed to give than receive. Those Moose Legionnaires that volunteered their time must really be blessed, for you have given so much. What you have done is so gratifying and so greatly appreciated. Thank you very, very much.

Many who visited our booth including Presidents, Secretaries and Area Managers were not only impressed with the literature available, but also the knowledge and assistance of those manning the booth as well. There were also many others who understood the importance of your work, by offering the information and giving of your time to serve. Thanks to all who paid us a visit!

Nothing can compare with the gift of really caring. There are two ways of showing you care for a particular cause. One is the amount of work you do for it; the other is the amount of substance

ACTIVITIES AND SPORTS

Kenny Simons

Hello fellow Moose members it's a great honor to be your new sports/activities chairman. The West Virginia Moose Association will be having our state Karaoke competition in Morgantown at this year's state convention. The contest will be held Friday night April the 3rd 2020. For more information for your district karaoke competition please contact your District President.

The West Virginia Moose Association Bowling tournament will be held the first 2 weekends in March hosted by the Wheeling Moose Lodge. The entry forms will be sent out by the first of the year.

The West Virginia Moose Association will be having their annual state pool tournament at the Summersville Moose Lodge April 17, 2020 - April 19, 2020. The entry forms will be mailed to each lodge for the state pool tournament. The West Virginia Moose Associations is currently looking for a lodge to host our annual golf ball drop if any lodge is interested please contact me at (304)-673-2755.

St. Albans Moose Lodge

Beginning in September, the Saint Albans Moose Lodge started a new Veteran's Program called Veteran's of Value as part of the Moose Organizations, Valued Veteran's. We are arranging to pay any utility bill, for ex: gas, electric, water, and sewage up to \$200.

During our monthly Veteran's Breakfast held on the third Saturday of the month, we invite each and every veteran to place their name and phone number on a ticket. These tickets are then dropped in a bucket and at the end of the Veteran's Breakfast, one ticket is drawn. Our administrator, Eugene Huffman then pulls out the winning ticket and calls the winning veteran to inform them that they won if they have already left.

The Veteran then brings in their bill that they wish to have paid, and we take care of paying it. However, if the Veteran has their bills automatically taken from their bank account, Eugene requests proof of payment and bill then writes them a check for that amount.

While we have the option of removing these funds from our raffle account, we also do fundraising events to help support this program. Simple 40 Board raffles, 50/50s, and the upcoming Chinese Auction all help to raise the necessary fund to help our local veterans. The Chinese Auction is to be held on December 1st, if you are interested in learning more about this program or attending, please contact our lodge via email at lodge868@mooseunits.org or call 304-727-7052.

YOUTH AWARENESS
Jenny Lambert
WOTM Youth Awareness Coordinator

Hope everyone enjoyed the summer, and had lots of fun with family and friends.

The Moose Youth Awareness program has a bright future. Through Moose Kids Talk presentations our participants can educate the youth of their communities to make wise decisions. They can also motivate and inspire them. In fact the voice of those students that have attended Youth Awareness Congresses have reached an audience of more than 70,000 in the past 25 years.

The 2019 - 2020 Youth Awareness training classes are finished. The Students are now out in the community giving their Kid Talks to 4 - 9 year old's. The Kid Talks are to be completed by February 2020, and the reports should be turned in to the state coordinator by February 28, 2020. Kid talk report forms will be judged by a group of their peers, and winners will be chosen. winners will be announced at the mid-year convention in April at Morgantown WV. the first place winner will have the opportunity to represent West Virginia at the International Youth Awareness Congress in New Jersey in April, 2020. Hope we have another International winner again in 2020.

Hello Brothers and Coworkers. The end of the year is upon us with Thanksgiving and Christmas right around the corner. Everyone is busy at this time of year, but lets not forget about our kids at Mooseheart and our seniors at Moosehaven. I'm sure they would love to hear from their moose families.

I would like to congratulate Gateway Moose Legion for being a plus in membership and being in the top 10 Moose Legions in the nation. Keep up the good work. Also remember in order to keep our Memorial Service and dinner apart of the Mid year Conference, all Moose Legions need to submit their money to keep the program going. It would be a shame to lose it.

I hope to see everyone at Mid Year. Have a Happy Thanksgiving and a Merry Christmas.

NEWS FROM DISTRICT PRESIDENTS

**Richard Findlay
District 1 President**

First and foremost I would like to thank all for allowing me the privilege of being district 1 president. I will do everything I can to serve to the best of my ability to make our district better. I would to see lodges in district one work on member retention. How can we sign members and expect them to stay if we can not keep members who have been members for a number of years and all of a sudden decide not to renew their dues for some reason. Retention committee or officers need to find out why and correct the problem if their is one, if we want to see our lodges grow. Thanks to all lodges in district one for selling your 12 week tickets. Hope we can have some winners. Hope all have a good holiday season and all lodges have a prosperous new year. Looking forward to seeing everyone at Lakeview in March

**God bless Mooseheart and Mooseheaven
Richard Findlay District one President**

Barry Wood District 4 President

I would like to thank all the lodges for selling tickets on the Ruger .45 to be given away Nov. 17 2019 at our next District Meeting in Charleston. The winner will be called on the same day.

I'm not a big fan of per diem to be charged to lodges. This fund raiser will generate money to help us and if you have any other ideas we will be glad to talk about them at District Meetings.

Karaoke will be back and District 4 will participate. We will announce it in the upcoming meeting. Your lodge should have their competition by the end of the year, and we will let you know where the District level competition will be. The 12 week club drawing has started and if you have any last minute tickets to turn in get them to Danny Williams ASAP. These drawings are important to participate in to help cover costs for upcoming conventions and your support is vital to insure success for upcoming events.

Membership is down overall and we all know that to make a comeback there has to be an effort by all of our members. Bring a friend to the moose and show them what they are missing out on.

With the holidays coming fast, be safe and help volunteer at the lodge.

April-August 2019

On April 27, 2019, Charles Town Moose Lodge #948 celebrated its 75th Anniversary.

A committee of 3 men and 3 women worked diligently for approximately 12 weeks to make this evening a night to remember! The venue was beautifully decorated with the focal point being a beautiful ice sculpture surrounded by faux diamonds and flowers.

The evening festivities began with an Enrollment Ceremony performed by the Ritual Staff.

The Lodge then recognized 60 year members individually then proceeded to call in groups 50 year members, 40 years members etc, until everyone was standing. At that time, Everyone was recognized for their continued support and dedication to Lodge#948.

Lodge and Chapter Officers were introduced which led to the presentation of donations. In total, \$23,000 was given to local charities, first responders, Mooseheart and Moosehaven.

There were over 300 guest in attendance which included Lodge 948 members and Moose dignitaries from the state and international level.

The evening was capped off with a wonderful meal and

concluded with entertainment by The Dean Crawford band.

After 75 years of existence, we have learned many things, but most importantly that it takes teamwork, common goals and the support of all our officers and members to be successful. Our goal, like many others, is to support our community and ultimately support the children at Mooseheart and the seniors at Moosehaven. This day of celebration showed not only the commitment our lodge has for our goals but also the commitment our members have towards their lodge! #WVStrong

Keyser Lodge and Chapter

The Keyser Chapter “adopted” a student from Potomac State College.... Joy. She is from Nigeria. Since she is so far from home and doesn’t have any family here, we wanted to help her get settled in. We gathered some supplies she needs and surprised her with them this evening. Joy is on the basketball team..... we look forward to watching her play.

The Keyser Lodge & Chapter presenting Tommy and Rosie’s to Officer Rumer and Officer Marley with the Keyser Police Department.

On November 2, 2019 the Keyser Moose Lodge held a 100 year Anniversary Event for their members. The Keyser Moose Lodge 662 was established November 2, 1919. The members were asked to dress in Roaring 20s style. And dress they did. The event started with a happy hour with throwback cocktail specials followed by a nice dinner and social time. Games of chance Roaring 20s style filled out the evening. Everyone had a Roaring good time!!

Keyser’s Annual Community Halloween Costume Party was held October 31, 2019 at Keyser Vol. Fire Dept. This event is hosted each year by the Keyser Moose Lodge 662, Keyser WOTM chapter 191, Keyser Vol. Fire Dept. and the Knights of Columbus. This year was one of the biggest yet. There was over 200 kids with another 100 or so adults. All Kids received a hotdog, cupcake, drink and candy bag. Plus 2 winners per category per age group making 60 winners received a bucket of goodies extra.
