MOOSE PROUD PAST, BRIGHT FUTURE

SCOTT D. HART

Chief Executive Officer

A Note from the Chief Executive Officer

One of my favorite summer foods is a BLT with a thick slice of a freshly picked garden tomato. So juicy that it soaks the bread a little and runs out the corners of your mouth. I can almost taste it as I write! Now that red ripe tomato didn't just magically appear one day in our garden. First the ground had to be prepared; tilling, adding fertilizer and organic material. Rows were marked out, seed purchased and planted, consistent watering, plenty of sunshine and lots of weeding took place. There is a lot of time and prep work that goes into those tomato plants, but the hard work is worth every savory bite - YUM!

Our Moose Fraternity grew again this year - so much so that there wasn't any suspense as the final days of the membership campaign year wound down. It was as if someone sprinkled our lodges with Miracle Grow TM! Over 800 lodges and 24 Associations showed a gain in active membership this year. Twenty days prior to the close of the campaign year the lodge's board of officers didn't say, "We better start thinking of how we are going to attract new members and reconnect with former ones." Our incredible Sponsors also didn't respond with a, "Hey, I better get busy talking to my friends, co-workers, and family about joining our lodge." Those actions and conversations started at the beginning of the campaign year (May 1st), and they involved a massive amount of social activities at the lodge and heart of the community efforts outside the lodge. The membership ground had to be prepared, watered and even weeded to keep the lodge strong and flourishing. Bottom line is that membership growth is a result of an enormous amount of planning, followed by tireless effort devoted to carrying out those initiatives.

Just as I am asking you, I have to ask myself, "What is my personal plan to help The Moose grow even more this year?" The children at Mooseheart and our seniors at Moosehaven are counting on us. The soil is fertile and the reward is great - now let's grow our membership for a third year in a row. Our bacon is cooked and the bread is toasted; now to head outside and pick that tomato! God Bless
